

A RESOLUTION OF THE LODI CITY COUNCIL
AUTHORIZING ADDITIONAL TASK ORDER WITH
TREADWELL & ROLLO REGARDING PCE/TCE CLEANUP
AND FURTHER APPROPRIATING FUNDS

=====

WHEREAS, five groundwater contaminant plumes have been identified within the City of Lodi. One of these plumes, the Central Plume, is currently scheduled for source area remediation beginning in late 2009. A second plume, referred to as the Busy Bee Plume, is being remediated by the responsible party with minimal interaction with the City; and

WHEREAS, the three remaining plumes (Northern, Southern, and South Central/Western Plumes) have not yet progressed to a point where specific remedial actions have been identified or scheduled. A draft Corrective Action Order currently being reviewed by the Regional Water Quality Control Board addresses these plumes in general terms; and

WHEREAS, Task Order No. 19 provides for the technical services focused on assessing and developing strategic approaches to the remaining groundwater remediation work that will be required. This work will focus on the Northern, Southern, South Central/Western Plumes, and the off-site Central Plume contamination, and how the remediation strategy for each of these plumes can be integrated into a City-wide groundwater remediation program. Treadwell & Rollo will also work with the City to address any additional comments received from Regional Water Quality Control Board to finalize the Engineering Evaluation/Cost Assessment and will be compensated for additional costs associated with staff-requested revisions to the Central Plume Remediation Facilities plans and specifications; and

WHEREAS, the estimated cost for Task Order No. 19 is \$27,500.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby authorize an additional task order in the amount of \$27,500 with Treadwell & Rollo, of San Francisco, California, regarding PCE/TCE cleanup; and

BE IT FURTHER RESOLVED that funds in the amount of \$27,500 be appropriated from the Central Plume Fund (25%) and PCE/TCE Rates (75%) for this task order.

Dated: October 7, 2009

=====
